1000 Books by Age Five
Children's Book Recycling Project Greater Victoria

Looking for Gently Used Books

1000X5 has sent 338,000 of your gently used books for babies and preschoolers into homes where books may be few. This is Year 14 of sending gift bags each with 3 books. Over the year, children may receive 30 books – transforming learning.

Please take your gently used books for wee ones to your school and ask for the pink bin.

Check out our website for more information: www.1000X5.ca

**National Day for Truth and Reconciliation and
Orange Shirt Day**

September 30 is National Day for Truth and Reconciliation. Together we recognize the legacy of Canada's residential school system and continue to learn the many truths of these institutions.

Orange Shirt Day, established in 2013 by Phyllis Webstad, recognizes the legacy of the Residential Schools System for First Nations, Métis and Inuit families and communities. By wearing orange, we acknowledge the truths of Residential Schools in Canada, we honour Survivors, and we remember the thousands of children who died, many of them buried in unmarked graves.

Please wear an orange shirt on Friday Sept 27th.

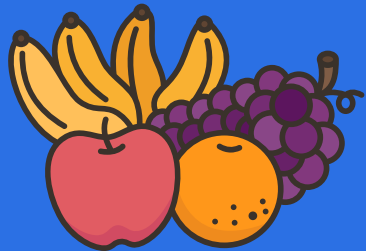

Feeding Futures:

The BC government is offering a program to districts called *Feeding for Future* to ensure that students who may have families that struggle with providing lunches each day are supported. We are happy to assist families as we know right now there is a lot of need in the area of food security due to rising prices and other factors.

If you are a family that could use support from our lunch program for your child, please email dthompson@sd61.bc.ca

We are also starting a morning Grab and Go breakfast before school for all students and BCause will delivery fresh fruit weekly for each classroom.
